

M140830 Care outfit

Whether in use on the ward, in the operating theatre or as a loving reminder of a healthcare profession – our care outfit for plush toys conveys care, competence and a good feeling. The two-piece set consisting of top and trousers instantly turns any cuddly toy into a likeable professional – whether in nursing or the operating team. Ideal for emotional brand presentation, as a gift in the healthcare sector or for campaigns with a personal touch. The outfit can be printed with a logo or slogan and charmingly combines your advertising message with the positive appeal of a cuddly toy – for maximum attention and a lasting impression.
