

M161305 Goat Thilde

Goat Thilde from the range is a real sympathy carrier with her tousled fur, small horns and curious look. She combines rural charm with loving details and brings fresh momentum to any advertising message – whether as a gift, decoration or emotional brand ambassador. Thilde can be wonderfully personalised: with an individually printed scarf or triangular scarf, she becomes an original promotional item with character. A cuddly statement for anyone who wants to stand out and be remembered.
