M160977 RecyclePig

The RecyclePig impresses with its charming design and exceptionally soft material. The outer material and filling are made from used post-consumer PET bottles, processed into new fibres – approx. 6 bottles (500 ml). Eyes and nose are embroidered, and no additional plastic parts are used. The branding label or accessories such as a mini T-shirt, scarf or triangular scarf can be customised and printed with your logo or slogan. A fluffy advertising ambassador that brings joy and keeps your company present in everyday life.
